DECLARATION

I affirm that the samples represented by this warrant are representative of our parts which were made by a process which meets all Production Part Approval Process Manual 4th Edition requirements including all Ford-specific requirements. I further affirm that these samples were produced at the production rate of 44400 / 8 hours using _____ production streams. I also certify that documented evidence of such compliance is on file and is available for review.

I have noted any exceptions from this declaration below.
