

DECLARATION OF COMPLIANCE

Dear valued customer,

By virtue of the statement of chemical compositions of the raw materials established by our suppliers, we confirm, honestly, that the products supplied by **DELFINGEN** related to the products listed in **ANNEX 1**:

1) do not contain dangerous substances at or above the following thresholds as defined by the legislation **ROHS Directive 2011/65/EU** and its amendment **2015/863/EU**, and **ELV Directive 2000/53/EC** relative to the use of substances dangerous in vehicles and out of service vehicles:

- | | |
|---------------------------------------|--|
| - Lead (Pb) 0.1% | - Polybrominated Diphenyl Ethers (PBDE) 0.1% |
| - Mercury (Hg) 0.1% | - Bis(2-ethylhexyl) phthalate (DEHP) 0.1 % |
| - Cadmium (Cd) 0.01% | - Butyl benzyl phthalate (BBP) 0.1 % |
| - Hexavalent Chromium (Cr+6) 0.1% | - Dibutyl phthalate (DBP) 0.1 % |
| - Polybrominated Biphenyls (PBB) 0.1% | - Diisobutyl phthalate (DIBP) 0.1 % |

2) do not intentionally contain substances as defined in Annex XIV nor Substances of Very High Concern (SVHC) as identified under Article 33 of Regulation (EC) No 1907/2006 (REACH) including the June 10th 2022 additions by ECHA (**224 substances**). To the best of our knowledge, these substances are not present above the 0.1% threshold set forth in this regulation. Because we do not expect these substances to be present, we do not specifically run any analysis on our raw materials or end product to measure for these substances.

If you have any further questions, please do not hesitate to contact us.

Best regards.

Made in Anteuil on July, 17th 2022

By **Dr. Anthony Perthué - Protection Systems Materials Manager.**
